

# BLACK LIVES IN NEUROSURGERY: A 3-PART WEBINAR SERIES

**WHAT:** The impact of racism, bias, and discrimination within and outside of the healthcare system has led to increased concerns around healthcare equity. The CNS is honored to partner with expert thought leaders to bring you this new special webinar series.

**AUDIENCE:** Practicing neurosurgeons, residents, and medical students

**COST TO AUDIENCE:** Complimentary non-CME version or purchase CME versions

## SERIES SPONSOR:

Opportunity includes complete access for designated number of representatives to attend the series as fully registered attendees, with the opportunity to participate in the discussions as well as:

- Company recognition on the landing page for the session on the CNS website
- Link out to designated page of your choosing.
- Verbal thank you for support during the session.
- Logo Recognition in a minimum of one email communication and CNS social media post.
